

## COOKIES POLICY

### COOKIE INFORMATION

Due to the entry into force of the aforementioned amendment to the "Law on Information Society Services" (LSSICE) established by Royal Decree 13/2012, it is mandatory to obtain the express consent of the user of all websites that use dispensable cookies, before they browse them.

### WHAT ARE COOKIES?

SANMIVAL.COM uses cookies and/or similar technologies that store and retrieve information when you browse. In general, these technologies can serve a wide variety of purposes, such as recognizing you as a user, obtaining information about your browsing habits, or personalizing the way in which content is displayed. Our specific uses of these technologies are described below.

*Cookies* and other similar technologies such as local shared objects, flash *cookies* or pixels, are tools used by Web servers to store and retrieve information about their visitors, as well as to provide the proper functioning of the site.

By using these devices, the Web server is allowed to remember some data concerning the user, such as his preferences for viewing the pages of that server, name and password, products that interest him most, etc.

### COOKIES AFFECTED BY REGULATIONS AND EXEMPTED COOKIES

According to the EU directive, the *cookies* that require the user's informed consent are analytical cookies and advertising and affiliation cookies, with the exception of those of a technical nature and those necessary for the operation of the website or the provision of services expressly requested by the user.

### TYPES OF COOKIES

#### ACCORDING TO THE PURPOSE

- **Technical and functional** cookies: these are those that allow the user to browse through a website, platform or application and to use the different options or services that exist *therein*.
- **Analytical cookies**: these are those that allow the person responsible for them to monitor and analyse the behaviour of users of the websites to which they are linked. The information collected through this type of *cookie* is used to measure the activity of websites, applications or platforms and to create browsing profiles of users of these sites, applications and platforms, in order to introduce improvements based on the analysis of the usage data made by users of the service.
- **Advertising cookies** : these are those that allow the management, in the most efficient way possible, of the advertising spaces that, where appropriate, the publisher has included on a website, application or platform from which it provides the requested

service based on criteria such as the content edited or the frequency in which the advertisements are displayed.

- **Behavioural advertising cookies:** they collect information on the user's personal preferences and choices (*retargeting*) to allow the management, in the most efficient way possible, of the advertising spaces that, where appropriate, the publisher has included on a website, application or platform from which it provides the requested service.
- **Social cookies:** These are set by social media platforms on the services to allow you to share content with your friends and networks. Social media platforms have the ability to track your online activity outside of the Services. This may affect the content and messages you see on other services you visit.
- **Affiliate cookies:** allow us to track visits from other websites, with which the website establishes an affiliation contract (affiliate companies).
- **Security cookies:** they store encrypted information to prevent the data stored in them from being vulnerable to malicious attacks by third parties.

#### ACCORDING TO THE PROPERTY

- **First-party cookies:** these are those that are sent to the user's terminal equipment from a computer or domain managed by the publisher itself and from which the service requested by the user is provided.
- **Third-party cookies:** these are those that are sent to the user's terminal equipment from a computer or domain that is not managed by the publisher, but by another entity that processes the data obtained through cookies.

#### ACCORDING TO THE SHELF LIFE

- **Session cookies :** these are a type of *cookies* designed to collect and store data while the user accesses a website.
- **Persistent cookies :** these are a type of cookies in which the data is still stored on the terminal and can be accessed and processed for a period defined by the person responsible for the *cookie*, which can range from a few minutes to several years.
